From the Director's Chair

Jim & Dee Dee Evans, Chapter Directors

Hello All,

Al, Claire, Dee Dee and I attended the Louisiana District Ride in April 18, 19 and 20. It was a great time re-connecting with friends from Ohio, Iowa, Texas, Arkansas, Maryland, Louisiana and ride some good roads. The first day we started out a little cool and muggy, not much rain. We rode from Ruston south to Natchitoches with a stop at the Grand Encore Visitor Center to learn some history of the Red River. After lunch in Natchitoches, we rode back to Ruston and stopped at Sports Complex for opening ceremony. Friday, we rode to the Germantown Colony Museum in north of Minden and then to Homer for lunch at Homer Seafood. At the Sports Complex, we enjoyed a catered dinner, Karaoke and door prizes. Saturday brought rain and no riding but, we did have two classes and bingo after lunch at the Hotel. Later that afternoon we had closing ceremonies with more door prizes, 25/25/50 and grand prizes.

April Gathering

Ken Burnett, Asst. Director

We gathered for lunch and socializing at the Lucky Duck Cafe in Taylor on Saturday April 20th. It was an overcast day with some drizzle and cool winds, so there were only 2 riders on 2 bikes that rode to the cafe. We had 14 people arrive for lunch which included a friend that Hugo brought along to join us.

We all enjoyed our lunches and socializing before drawing for a door prize and the 50/50. Sheri was the big winner of the day. Sheri not only won the door prize, but then she drew her own ticket for the 30% and Tom won the 20%. We had some discussions about having more riding coming up and possibly some other activities, so keep an eye out for emails and check on GroupWorks. The May gathering will be

on Saturday May 18th at the Dahlia Cafe in Liberty Hill @ 11:00 am. Watch for upcoming details on a ride to the gathering. We hope to see you all soon!

How to Be a Great Ride Coordinator

Submitted by Tom Sprague

First, what is a ride coordinator? Anyone that organizes or leads a ride.

What is your responsibility on a group ride?

When any ride is formed, a leader must lead. He or she has most likely planned (maybe even pre-ride) a route, the stops, and most likely a yummy or fun event during the ride.

For what else is the ride leader responsible, other than leading the ride? Basically that is it, to lead the ride.

Having to plan a ride, outguessing the traffic and weather, and moving a group of motorcycles (or two or three) from start to a final destination is more than enough.

The drag bike or tail gunner becomes the second most necessary and responsible person on any ride. He or she has the best view of the entire riding group. They must keep an eye on all traffic surrounding the group, be ready to secure a lane when called upon, and, if necessary, discuss with the rider leader (in private please) any riding irregularities noticed on the ride.

What about the rest of the group? What are your duties? Have fun and be safe of course! But wait, there's more!!

Some items that all riders should follow:

- Arrive prepared and ready (empty bladder and full fuel tank)
- Maintain adequate spacing and position during the ride
- Follow the Leads direction
- Have a good understanding of hand signals for those that don't have a CB
- Minimize CB chatter

A lot goes into planning and handling a group ride. There are a lot of tools about group riding that would be a great way to introduce new riders into the group riding.

So get out there and enjoy!
