

Ride to Southern Flyer Diner at Brenham Airport

Some folks started in North Austin and some in South Austin and some from San Marcos. Everyone ended meeting in Paige for the take off at 10:20. After a quick safety talk and route Review we all headed east to the Southern Flyer Diner
The real ride started when we got to Burton and we got on Scenic Hwy 390
This is where all the bluebonnets were hiding. What a ride.

Dexter rode his RUNN. What a beautiful bike.

We made it to the Southern Flyer Diner.. Pretty easy to understand why it is called the Flyer Diner

We knew the folks from Chapter C were going to be there which is the reason we ended up there

The theme of the diner is retro with the workers wearing poodle skirts and saddle shoes. It gives the diner a real pizzazz.
The burgers are really good too

Take me to your leader.
Oh, you are the leader.

Why does anyone come that far for lunch at a dinner?
If you have not been out riding on a beautiful spring day
it is hard to explain.. Besides that is how far it is..

How many happy kids can you count in the photo above

After we ate at the diner some went home and some figured the day was not done and went for Pie and Ice Cream at Round Top

The sign says Pie Haven but I think it should be Pie Heaven
Anyway some had pie and ice cream some just had ice cream.
After our desert we headed home with over full tummy's.

What a great way to end the day.
